View your personal health record

Education

Receive educational materials

Messages

Send & receive messages from staff

Reminders

Receive health reminders

Billing

View & pay billing statements

Demographic Information

Update demographic information

Referrals

View & request referrals

how do I Get Web-Enabled

To gain access to our secure server on Patient Portal and become web-enabled, simply sign up by providing us with a personal (**non-work**) e-mail address. We will then send you an email with the link to our patient new portal.

You will be able to securely log in with your username and password, and gain access to your personal health record and other helpful features from any computer or smartphone with an Internet connection!

CHADIS

CHILD HEALTH & DEVELOPMENT
INTERACTIVE SYSTEM

CHADIS helps you communicate securely with your doctor over the Internet before your office visit! *When you login to the new patient portal you will have a message regarding CHADIS.* In this message you will be given instructions on how to register for CHADIS, as well as additional information on the new healthcare tool.
